

**August 10, 2021**

Good evening, families,

I apologize for the late email. This afternoon Governor Beshear issued an executive order requiring all students (ages 2 and up), staff and visitors to wear masks inside schools. This applies to public and private schools. The order is effective immediately and is in effect for 30 days.

Read [this letter](#) from the Department of Education at the Diocese and the [Governor's order](#) for more information. I will continue to send updates when they are available.

Please feel free to reach out with any questions.

St. Henry, pray for us!

---
