2021-2022 School Calendar

Good afternoon,

It seems to have been a relatively "normal" week here at St. Henry, and we're hoping for the same next week and a few subsequent weeks. Covid cases are continuing to drop, we avoided any weather delays and were able to have our all school mass this morning.

We look forward to this continuing, and have plenty of event opportunities upcoming. See below for more information on the parish men's night coming up next weekend. Bishop Iffert will be the speaker and it will be a great opportunity for the men of our school and parish to meet and socialize.

We made two attempts at having a "twin day" so far this year, with both chances foiled. We're going to give it one more shot this Tuesday on 2/22/22 to have twins day, so fingers crossed we can make it happen.

Additionally, you'll also find celebrations for our archery team and academic team; El Ocho Loco dine to donate, tickets for the father daughter dance, a note from boosters and plenty more opportunities.

You'll also see information for our Crusader Royale. There's still time to get your ticket, and we hope you do! The more people there to hang out and have a good time, the better the party. The opportunity to buy your out of uniform pass for the week after the Royale is also now available.

Have a great weekend.

St. Henry, pray for us!

COVID19 Update

Our cases in school are reflective of the cases in Northern Kentucky. Boone, Campbell and Kenton counties are all "in the orange", three of about ten counties in KY that are. We had only one positive student this week.

Please continue to communicate with the school if your child(ren) develop any kind of symptoms.

Governor's Cup District Competition

Super Bowl weekend, St. Henry hosted the 4th/5th grade district Governor's Cup tournament. The team did really well with a lot of individual winners — we had someone place in every testing event. Our Future Problem Solvers (FPS) team placed first for the second year in a row and our quick recall kids played a match for the first time in person against an opponent! Combined, St. Henry tied for first place over all with total points and were awarded the runners up trophy! If there is a tie, Governor's Cup looks at how many first place points the teams have. St. Henry had 13 and the other school had 15, so they were the ultimate winner. The FPS team and individual test takers will move on to the next round of competition. The team is coached by Stacie Jankowski, Alison Duff, and Suzi Francis.

Archery Team Headed to State

Our Crusader archers participated in their first team 3D shoot Saturday at Community Christian Academy and took second place in the middle school division. One of the goals set this season was to qualify to shoot at the National Archery in the Schools Program (NASP) state tournament. With a second place finish last week, their score qualified them to shoot in the NASP state tournament in Louisville in March. Congratulations to the shooters for their hard work and dedication all season long! The team is coached by Joe Montgomery.
