2021-2022 School Calendar

Good afternoon,

Included in this week's update is our current staff list linked [here](#) for the upcoming 2022-23 school year. If you're still reading this and haven't yet clicked the link, there are a few things to keep in mind when reviewing the list:

This list is as accurate as possible as we stand right now. It's possible that it could change.

We are using a good amount of our emergency COVID relief money to fund positions for next year and the year after. You'll see newly added positions that we're excited about and think will make a tremendous difference for our children. There is certainly a risk in adding positions knowing that they could be temporary, but my position is that we shouldn't avoid doing everything we can for our children while we have extra funds to support them. And we of course hope to be able to sustain some of these positions beyond the next two years.

One of the extra positions we have added is an interventionist in middle school, filled by Mr. Heister. Mr. Heister will be supporting students of all abilities in progressing academically. This opportunity will provide the chance for our children to be challenged in a way that will allow them to all grow at their pace. Specifically, it means that we will not have or need to have a middle school summer math class because students will be able to access the content during the school year.

We made two hires this past week: Tiffany Prabell has been hired as the new middle school math teacher. Rebecca Albano has been hired to teach our children in the Makerspace.

Once we make all of our hires, we will have a very full staff designed to provide the best experience possible for our children. I'm looking forward to it and hope you are, too!

As a quick reminder while the weather continues to be beautiful: if your children will be playing on the playground after school, parents need to be the monitors. Please watch your children carefully and stay with them in the playground area.

Lastly, we got word from the Diocese that snacks will no longer be available after Monday. Children will have to bring their own snacks to school.

St. Henry, pray for us!

### COVID UPDATE

We didn't have any Covid cases last week. Please continue to update us in the office if any symptoms arise. We also are continuing with testing when and if necessary.

## New This Week

**May Crowning** is a longstanding tradition in the Catholic Church, when children don their First Communion attire or Sunday best, gather to sing for the Blessed Mother, present her with spring's first flowers, and crown her with a small wreath of blossoms. As part of our tradition, a recently confirmed eighth grader and two second graders/First Communicants were given the honor of crowning Mary.

### State Art Exhibit Recognition

Schools were allowed to submit a maximum of five entries to the Kentucky Art Education Association Elementary/Middle School State Art Exhibit, which was held at Jessamine County Library in March.

Representing St. Henry this year were Jackson Schmid (Drawing), Ellise Armbruster (Drawing), Landon Loos (Mixed Media), Dillon McMahon (Mixed Media) and Bradley Galbough (Mixed Media).

### Bake Sale for Ukraine

On Monday, our student council held a bake sale to help those in Ukraine. All students were able to visit the bake sale during lunch to pick out a tasty treat. Student council raised \$373, which will be forwarded to the Diocese of Covington and will be sent through the United States Conference of Catholic Bishops for the Collection for the Church in Central and Eastern Europe; 100% of the proceeds will go to the Ukraine.

### **A Return to Normal**

Our eighth graders toured the Cathedral Basilica of the Assumption and visited the Art Museum. Fourth graders had their traditional field trip to Frankfort. Fifth graders enjoyed an overnight at the zoo, with the sixth and seventh graders joining them since they missed their opportunity due to COVID. Thanks to our teachers for planning these educational opportunities outside of the classroom and to our chaperones!

### **Used uniform exchange! It is that time of year again!**

Drop off your gently used school uniforms and spirit wear to the school office by 3:00 PM on Monday, May 16. The shopping event will be held from Wednesday, May 17-Friday, May 20, from 7:25-8:00 AM and 2:30-3:00 PM only. Everything in the uniform exchange is available at no charge!

Start cleaning out those closet and preparing for next school year! If you have questions, reach out to [Kara Gurley](#).

Mrs. Spradling, [kspradling@sthenrynky.com](mailto:kspradling@sthenrynky.com)

**Supplies needed:** We also need some supplies for the day; if you are able to help out, please drop them off in the school office by Wednesday, May 18. Thank you!

- 8 ounce Styrofoam cups
- Oreo cookies (not double stuff, generic is fine!)
- 5 ounce paper cups
- Cases of water

#### Art Supplies Needed

If you are spring cleaning and would like to re-home crafting items, our art teacher, Mrs. Turvey, would love to have them! Think beads, buttons, crafting items you might have started but didn't finish (we ALL have those!) such as pot holders, sand art, bracelets, scrapbooking items, etc., send them into school labeled ART ROOM. You never know what nifty things might be stashed in drawers/closets that the kids could use at St. Henry somehow to be

creative. Thank you!

If you have questions, please email Sheri Turvey, [sturvey@sthenrynky.com](mailto:sturvey@sthenrynky.com).
