2021-2022 School Calendar

Good afternoon,

Happy Mother's Day! We hope you have a wonderful weekend and great Sunday. Maybe your kids will even clean the house and make you breakfast (or maybe it's better if they take you out?).

We started our end of year MAP testing in reading, math and language this week. We are seeing a lot growth and progress from our children and classes in the preliminary data. We're looking forward to seeing how the rest of our students test next week. Help minimize the stress by reminding them that this is just an opportunity to show what they know. Also remind them that school isn't quite over yet - do their best!

I hope to share a full staff directory very soon, but will provide a quick update now:

- Mrs. Adams, in middle school, will not be returning next year. Mr. Trauth, who is currently teaching in Mrs. Ackerman's room, will fill her position next year.
- Mrs. Durcholz, Kindergarten teacher, will not be returning next year. Ms. Carley Scales will be Mrs. Hoffman's partner teacher in Kindergarten next year.
- Mrs. Ifcic, preschool teacher, will not be returning next year. We are in the process of searching for her replacement.
- Ms. Craig, PE teacher, is moving from the gym to a teacher support role. We are in the process of searching for her replacement in PE.

We are thankful for the work and dedication Mrs. Adams, Mrs. Durcholz and Mrs. Ifcic gave to St. Henry, and we wish them the best of luck in the future. We're looking forward to Ms. Craig taking on more of a student support role, which she has begun this year.

Additionally, we are working to bring on two interventionists and two teacher aides next year. I look forward to making a fuller staff update as soon as possible.

We've been enjoying lunch all week and will be enjoying Izzy's today and Gurley

BBQ Monday. I hope you enjoy your lunch, too! Have a great weekend.

St. Henry, pray for us!

COVID UPDATE

We didn't have any Covid cases last week. Please continue to update us in the office if any symptoms arise. We also are continuing with testing when and if necessary.

New This Week

DPAA

Fundraiser

Each year, schools across the Diocese of Covington are asked to make a donation to the Diocesan Parish Annual Appeal (DPAA). This year, two eighth grade students made a design about St. Henry Catholic School. The designs were then colored by students in all grades. Each were cut out and buttons were made. Beginning next week, students will be asked to buy them for 25 cents each. Students may buy as many as four, at first, and then possibly more will be available later. The buttons may be worn on their uniform to show their support for the DPAA. The buttons have numbers on them and each day numbers will be called. Students who have those numbers will be given a piece of candy. All proceeds will go to the Diocesan Parish Annual Appeal on behalf of St. Henry Catholic Church.

Art Supplies Needed

If you are spring cleaning and would like to re-home crafting items, our art teacher, Mrs. Turvey, would love to have them! Think beads, buttons, crafting items you might have started but didn't finish (we ALL have those!) such as pot holders, sand art, bracelets, scrapbooking items, etc., send them into school labeled ART ROOM. You never know what nifty things might be stashed in drawers/closets that the kids could use at St. Henry somehow to be creative. Thank you!

If you have questions, please email Sheri Turvey, sturvey@sthenrynky.com.

Olympic Day is Monday, May 23

Volunteers needed: VIRTUS compliant volunteers are needed to work Olympic Day games. Time frame is 8:00 AM-2:00 PM, with a break for lunch provided. All volunteers must be Virtus trained and up to date on bulletins.

Mrs. Spradling, kspradling@sthenrynky.com

Supplies needed: We also need some supplies for the day; if you are able to

help out, please drop them off in the school office by Wednesday, May 18.
Thank you!

- 8 ounce Styrofoam cups
 - Oreo cookies (not double stuff, generic is fine!)
 - 5 ounce paper cups

Fall Golf Team Opportunity

This year we began partnering with World of Golf to provide golf instruction throughout the year. They have offered golf instruction on campus for grade school students as well as golf as an elective for our middle school students in the 2021-2022 school year.

We would like to expand golf as a school sponsored sport that is supported by our boosters. If you are interested, please take a few minutes to complete [this survey](#).

World of Golf also has several scholarship opportunities for middle school girls to learn and play over the summer. If your middle school daughter is interested in this free opportunity (World of Golf will even provide clubs to use), please email [Dave Miller](#). Spots are limited!
