2022-2023 School Calendar

Good afternoon,

Almost one year ago I sat to write the most difficult email I've ever had to write. Our community was shocked to the core at the news of Mrs. Carrie Williams' passing, our beloved teacher and friend.

I wrote the message from my office, the same place Mrs. Lageman and I met with Carrie earlier that day finalizing her return to the classroom after becoming a mom. After sending the email I walked across the parking lot to the gym where our annual Crusader Classic had just kicked off. I watched as parents and families received the news in real time. As I looked in the eyes of our community members, words never passed our lips as we locked eyes and just shook our heads. It was all we could do.

It's been almost a year now since Carrie's passing and in time we all find ways to feel the wind at our backs and the sunshine warm our faces, as the Irish Blessing prays. This upcoming Wednesday, November 9 is the one year anniversary. At the Mass for the faithfully departed this past Wednesday, Father Lange spoke about ways he remembers his dad every time Father makes his morning cup of coffee. We each have memories of those that have gone before us, and we all cherish those memories. We always will.

Take a moment this weekend, take a moment on Wednesday, November 9 to remember. Cry, give someone a hug, sit in silence, smile. However you remember, spend time doing that.

Remember the Dwyer family, support the Williams family, spend extra time with your own family.

St. Henry, pray for us!

Golf Team News

The inaugural St. Henry golf team was a huge success. We had 24 kids (grades 3 through 8) participate on two 12 member teams at World of Golf in Florence. Dave Miller and Jay Moore coached the teams.

The golfers played a six-match season and playoff in a two person scramble format against other NKY Catholic schools. During a frigid playoff, St. Henry 1 finished 8/16 and St. Henry 2 finished 11/16. The kids had a blast playing with their schoolmates and improved tremendously as the season went on.

Participants for the 2022 season were: Wyatt Bramlage, Luke Stringer, Austin Arlinghaus, Mason Brady, Joey Kearns, Patrick Jackson, Eila Voelker, Samuel Boemker, Josie Moore, Brady Miller, Nathan Jankowski, June Vandergriff, Reid St. John, Reed Stringer, Harper Andrews, Ruby Arlinghaus, Chelsea Miller, Brooklynn Kuebler, Nolan Wolking, Eli Boemker, Luke Jankowski, Jaxon Moore, Andrew Price, and Colby Padgett.

Highlights of the season included Wyatt doing the Griddy after hitting a ball over a tree and onto the 9th green and Ruby hitting a goose two weeks in a row (both startled but uninjured).

Special thanks to all of the parents and grandparents who gave nothing but encouragement throughout the year and came out to support their kids and grandchildren, even in blustery conditions.

Cafeteria News

Lunch Payments

Money can be added to students' accounts via cash or check (payable to St. Henry) and sent to the cafeteria. If you have multiple children and want a check split a certain way, please send it in with payment or we will pick the best way we feel fit for it. Money may also be added using the [K-12 Payment Center](#). You can add money to your child's account, transfer

funds, and see their cafeteria purchase history all securely online.

Even if paying in person, we recommend making a K-12 Payment account to see your child's purchase history. If a child has money on their account and wants to get an extra, they will be allowed to do so. Payments CANNOT go through Sycamore. If you have any questions, please reach out to Jessica Andrews, jandrews@sthenrynky.com.

VOTE YES ON #2

KY's ProLife Constitutional Amendment - NOVEMBER 8, 2022

On November 8, Kentuckians will go to the polls once again. One of the choices facing them this year is a pro-life amendment to our State Constitution. Amendment #2 will explicitly affirm that the Kentucky Constitution contains no right to abortion or government funding of abortion.

If this amendment is adopted, questions about abortion policy will be left in the hands of our elected representatives in the state legislature. It will prevent us from having a Roe v. Wade-type decision at the state level.

There are many questions and misunderstandings about how this might affect women in difficult pregnancies with medical complications. The law currently recognizes a difference between medical treatment and elective abortion. And the legislature can, through the normal process, make any changes to the law that might be necessary in the future to fix anything that is unclear. Amendment #2 would do nothing to prevent or interfere with that process. It simply prevents the courts from declaring there is a constitutional right to abortion and striking down pro-life laws.

The Kentucky Catholic Bishops are strongly encouraging all Kentuckians to go to the polls on election day this year, go to the end of their ballots and vote YES for Amendment #2. A YES vote on Amendment #2 is a vote for life!

Ballot Text: "Are you in favor of amending the Constitution of Kentucky by creating a new Section of the Constitution to be numbered Section 26A to state as follows: To protect human life, nothing in this Constitution shall be construed to secure or protect a right to abortion or require the funding of abortion?" **VOTE YES!**
