2022-2023 School Calendar

Good afternoon,

We hope you're having a wonderful Friday. If you can believe it or not, our first quarter ended yesterday. Following the end of the quarter, our teachers met to review student progress during the first part of the year. We reviewed MAP data, our school-wide long term plan, classroom assessments, prepared to lead small group instruction and more. We're excited to continue our plan to continue to support all of our students. We also appreciate our families' support when we have staff-wide days off.

Picture retake day is this Friday, October 21. Order forms will be sent out this week. Anyone that would like to retake pictures but isn't here Friday, we will make alternative arrangements to make sure pictures get retaken.

For families coming to the PTO sponsored Addams Family movie this weekend in the gym, check out the new sound absorption boards that have been installed in the rafters.

Remember to sign up for parent / teacher conferences on Monday, October 24. **That day is a noon dismissal day.** We hope to see as many families as possible on October 24; if families need to schedule a time on a day other than October 24, please do!

Have a great weekend, enjoy your lunch; we look forward to seeing everyone Monday.

St. Henry, pray for us!

## Athletic Boosters News

Congratulations to our **seventh/eighth grade** girls volleyball team on their great season: league and tournament champions! The team is coached by Amberly Behrens and Katie Sieg.

Our **sixth grade** girls volleyball team were league champions as well. Tournament play begins this week, good luck, ladies! The team is coached by Neil and Dawn Clineman.

Congratulations to our **third graders** on their great volleyball season. They learned a lot of new skills this year and grew in confidence. They are coached by Meghan Franks and Allison Haglage.

### Archery Registration is Open!

Due to time and space constraints, archery will be limited to 6th, 7th, and 8th grades for the 2022/2023 season. Click the button below to sign up. If you have questions, contact Joann Loos, [joannloos@hotmail.com](mailto:joannloos@hotmail.com).

**VOTE YES ON #2**

KY's ProLife Constitutional Amendment - NOVEMBER 8, 2022

### Amendment #2 Announcement

This November, Kentuckians will go to the polls once again. One of the choices facing them this year is a pro-life amendment to our State Constitution. Amendment #2 will explicitly affirm that the Kentucky Constitution contains no right to abortion or government funding of abortion.

If this amendment is adopted, questions about abortion policy will be left in the hands of our elected representatives in the state legislature. It will prevent us from having a Roe v. Wade-type decision at the state level.

There are many questions and misunderstandings about how this might affect women in difficult pregnancies with medical complications. The law currently recognizes a difference between medical treatment and elective abortion. And the legislature can, through the normal process, make any changes to the law that might be necessary in the future to fix anything that is unclear. Amendment #2 would do nothing to prevent or interfere with that process. It simply prevents the courts from declaring there is a constitutional right to abortion and striking down pro-life laws.

The Kentucky Catholic Bishops are strongly encouraging all Kentuckians to go to the polls on election day this year, go to the end of their ballots and vote 'YES' for Amendment #2. A "YES" vote on Amendment #2 is a vote for life!

***As Catholics we know that protecting the sanctity of life is not a political stance, but a fundamental and moral foundation.***

# The Truth About **Abortion** & **Women's Health**

**Abortion does not save women's lives.**

**Abortion** is the **direct** and **intentional** killing of a child in the womb.

**Abortion is never medically necessary.** It does not treat or solve any pregnancy-related complication.

**Outlawing abortion will not affect treatment for miscarriage.**

**Treatment for miscarriage and abortion is not the same thing.**

There is a complete moral and legal difference between losing a child through miscarriage and intentionally taking the life of a child.

In the tragic case of miscarriage, surgery may be necessary—and is an ethical treatment—to remove the remains of an unborn child who has *already died*.

While the same surgery is done to perform an abortion, abortions impose this procedure on a **living child** with the **intention** of ending his or her life.

**Women can get the lifesaving treatments they need—without abortion.**

In rare cases, and in the absence of better alternatives, life-threatening maternal health conditions may require interventions that **indirectly** and **unintentionally** lead to the death of an unborn child. **Abortion restrictions will not prevent women from receiving these treatments.**

When the lives of mother and child are in immediate danger, the goal is to fight to save both patients. **Effective treatments exist that seek to save the life of the mother and never to intentionally harm her unborn child.**

When a woman's life is at risk in pregnancy, preterm delivery may be used as a lifesaving medical intervention to preserve the life of both mother and child.<sup>1</sup>

**Ectopic pregnancies** result when an embryo implants outside the uterus—often in the fallopian tube. Sadly, such embryos cannot survive and this condition can pose serious risks to the mother. While ectopic pregnancies sometimes resolve naturally, interventions are often necessary.

**When done ethically, treatment for an ectopic pregnancy is not abortion.** Ethical interventions include the removal of the damaged fallopian tube containing the embryo or, if embryo death has already occurred, medication can be used to resolve the ectopic pregnancy.

**Bottom line: Abortion restrictions never prevent women from receiving life-saving treatment.<sup>2</sup>**

## Mission Statement

St. Henry Catholic School is a place where we learn, grow, and become Disciples of Christ by embracing the Gospel message. We will work toward our full potential each day in order to demonstrate our respect for the sacrifices made by the entire St. Henry community to ensure our success. We will remain *connected* to God and others, gain *confidence* in our academic, social, and physical abilities, and *contribute* to the community through service and leadership.
