2023-2024 School Calendar

Good afternoon,

I hope everyone had a good week leading into the last day of our third quarter. We're at a time of the year when everyone is ready for the transition from inconsistent weather to consistently warm, sunny days. We're prayerfully participating in our individual spiritual growth during lent, while also preparing to finish the school year as strong as possible.

There are many things to balance during the fourth quarter while remaining focused and steadfast on completing the year as well as possible. There are always lots of ways to get involved in our community to lean on each other to remind us of all the great things that make up our St. Henry family.

For our students, Parents Night Out is tonight and you can still sign up. Students can come hang out with their friends, have some good food, including ice cream sundaes and play in a Gaga pit that will be here. Also, for the kids, Mr. Williams' Mario Kart party on Monday, March 13! Plenty of fun to be had for our kids while parents get some extra time to each other. You can sign up for either or both opportunity [here](#).

With today being the close of the third quarter, grades will be blocked on Sycamore while teachers enter in final scores and collect final assignments.

Have a great weekend.

St. Henry, pray for us!

**School News**

**The week in pictures:** Officer Nunn of the Elsmere Police Department invited fellow officers to visit our fifth graders as part of the STAND program. The officers introduced the students to the Elsmere Police canine, Onyx. The canine is five years old and has assisted in nearly 300 arrests. Onyx demonstrated how he tracks, fetches, defends, and obeys German commands. The students enjoyed their surprise visitor!

## Boosters News

8th Grade Parents:

My name is Ryan Padgett, and I am the father of Colby as well as the boys' basketball coach.

Prior to COVID, a couple parents began a tradition with the 8th graders until COVID stalled the momentum of said tradition. The idea was to host an All Star event celebrating those who played sports throughout their tenure at St. Henry. With the support of Principal Wolff, we'd like to carry this tradition forward.

We will be hosting the 8th Grade All Star Event on **Saturday, March 18 from 6:30 - 8:00 p.m. at St. Henry's elementary gym.**

PLEASE NOTE: This event is open to ALL 8th graders, regardless if they played a sport or not. We strongly encourage any student interested to attend, even if they would simply like to hang out with friends.

Students interested in attending will be sent a form by Ms. Scheper via Google Forms to sign up for which All Star event they would like to participate in (they choose one): 1) Slam dunk contest on lowered rim, 2) 3-point competition, or 3) The blindfolded challenge. All students will be invited to play in the fourth event, the volley-basketball game (basketball but played with the rules (and ball) of volleyball). Essentially, it's an evening where the kids can simply have fun.

The event will be chaperoned, and kids will not be allowed to leave the gym for any reason (without a parent or guardian) throughout the entire event. Parents are more than welcome (and encouraged) to stay and socialize.

Lastly (and perhaps most importantly), I really need your help. Below is a link to one master sign-up form. On the form are three areas: (1) Signing your child up for the event, (2) Signing up to help volunteer, and (3) Signing up to bring drinks/snacks. It

takes a village, so any help or food donations are very much appreciated.

I sincerely appreciate your support and hope everyone can come out for the event.

Cheers,  
Ryan Padgett

### Did You Know?

Catholic Relief Services RS sends 75% of the money collected overseas to over 40 countries in Africa, Asia, and Latin America. Donations are used for agriculture, water, sanitation, education, HIV, AIDS, microfinance, and maternal and child health. The remaining 25% of the money stays within the Diocese to fund food pantries and programs. Grants from CRS

Rice Bowl gifts in our Diocese are allocated to the Parish Kitchen, Henry Hosea House, St. Bernard Parish's Food Pantry, Be Concerned, Mary Rose Mission, and St. Augustine Outreach, City Heights.

**From Farming to Fishing:** Raul and Rhodora were coconut farmers in their town in the Philippines, but it took a lot of work before they made money. They participated in a Catholic Relief Services program that helped them build their own fishpond to raise and sell fish. The fish provide nutritious food for their family and more accessible income, enabling Raul and Rhodora's granddaughters to attend school. *What changes have you made in your professional, personal or spiritual life that have benefited others?* Learn more at [www.crsricebowl.com](http://www.crsricebowl.com).
