2023-2024 School Calendar

Good afternoon,

This week several opportunities for tuition assistance are being announced. New this year is the Carrie Williams Memorial Scholarship, which is described below with more information available in the links provided. The Kremer Foundation is once again available to us at St. Henry. You can read more about tuition assistance below and on our website linked [here](#).

This is the final call to participate in one of two gym party teacher experiences with Ms. Craig. See below for more information; we will close the experiences on Friday March 31st.

Below is a link to purchase a yearbook for this school year. See the link and reach out to the office with questions.

Here's a quick update related to the speech and OT screenings from APT: We had such a positive response from our recent Speech and OT screenings, that we are going to offer a second screening session on Friday April 28th. For those of you who are interested, please return the permission form to the school office by Monday April 24th. If you received a referral from the last screening and have not reached out to the therapists for more information, we encourage you to do that soon. This is a crucial step in the process of being able to offer these services onsite next school year. As always, please reach out if you have questions or concerns.

In the past several days we had two traffic stops at the back corner of our campus. During one we called a lockdown in the school, which means that everyone stays in their room and teaching continues. The lockdown only lasted several minutes before we were able to be sure that there was no threat. Safety is an ongoing conversation for us, including another staff training on Wednesday, April 5, which is why we will not have aftercare on April 5. If there are ever questions regarding campus safety, please always feel free to reach out to the office.

Enjoy your lunch and have a great weekend.

St. Henry, pray for us!

## CRS Rice Bowls

### The Power of Sacrifice

Lent can feel like a long time. Sometimes we'd like to skip right to Easter! But through prayer and sacrifices, we share in Christ's suffering and prepare for the joy of his resurrection. This Lent, we've learned how people in Honduras, the Philippines, and Kenya made sacrifices so

their families and communities can thrive. How have your Lenten sacrifices helped your family and community and communities around the world? Visit [crsricebowl.org](http://crsricebowl.org) to learn more. Learn more at [www.crsricebowl.com](http://www.crsricebowl.com).

***CRS Rice Bowls should be returned to your student's homeroom teacher next week. Thank you for your support!***
