Dear Parents,

Today marks the middle of our 3rd Quarter! Please be sure to check your students' grades and reach out to teachers if you have questions or concerns. This week we also had Officer Ted Edgington talk with all of our students about A.L.I.C.E. and the procedures for what to do in an active threat situation. Today we had our teachers talk with their students about where the safe space is in their classroom if we were ever to be in a lockdown as well as walk through a couple of scenarios to get them thinking about what they would do to keep themselves and others safe. Next week we will have our Valentine's Day parties on Fat Tuesday, February 13 due to Ash Wednesday falling on Valentine's Day. We will attend Mass as a school on Ash Wednesday.

For this weekend don't forget that we have a Jr. High Dance tonight in the school cafeteria starting at 7:30pm. We hope to see all of our Jr. High students there! Also, it's not too late for the men to attend the Wild Beast & Brew Night this Saturday starting at 5:00 PM in the cafeteria. Tickets at the door are \$15.

Eucharistic Miracle of BETANIA

VENEZUELA, DECEMBER 8, 1991

On December 8 of 1991, Father Otty Ossa Aristizábal was celebrating Mass in the chapel of the Shrine of Betania in Cúa and during the consecration, saw the Host bleeding. The miraculous Host is preserved in the city of Los Teques, at the convent of the Augustinian Recollects Nuns of the Sacred Heart of Jesus, where It is permanently exposed for the adoration of the faithful and It is visited every year by numerous pilgrims coming also from abroad. Many prodigious events have taken place, connected to the Host of the Miracle, among the one which stands out that occurred to a young American who filmed the miraculous Host pulsating like a heart, while It was exposed to the faithful.

The Shrine of Finca Betania where the Miracle occurred

The Tabernacle where the relics of the Host from which blood flowed were kept

H. E. Most Reverend Pio Bello Ricardo who has approved the Eucharistic Miracle of Betania

The new Tabernacle located in the chapel of Perpetual Adoration at the convent of the Augustinian Recollects of the Sacred Heart of Jesus in Los Teques, where the relics of the Eucharistic Miracle of Betania have been transferred.

This Eucharistic Miracle occurred during the midnight Mass of December 8, 1991, at the Marian Shrine of Finca Betania in Cúa, Venezuela. Father Otty, Chaplain of the Shrine, thus describes the event: "After having consumed one of the pieces of the large Host which I had divided into 4 parts, I returned them to the paten. A little later I looked down towards the paten and I could not believe what I saw: one of the pieces of the Host that I divided was showing a red spot and from it a red substance began to emanate, similar to the manner in which blood escapes from a wound. After Mass, I took the Host and preserved It safely in the sacristy of the Shrine. The next day, at 6 in the morning, I went to see the Host and verified that some blood continued to flow that a little later began to dry. However, still today, the blood appears as fresh. The strange thing is that the blood flowed only from one side of the Particle, nevertheless, without staining the remainder of the Eucharistic species".

During the Mass there were numerous pilgrims who immediately verified that the priest did not have wounds from which the blood present in the Host could have flowed. Besides, from the analyses, the result concluded that the blood of the priest did not match the one of the Particle. The Host of the Miracle was subjected to some special studies, requested by the then Bishop of Los Teques, H. E. Most Reverend Pio Bello Ricardo, and the results confirmed that the blood was human blood of type AB positive which matches the one found in the cloth of the Shroud of Turin and in the Host of the Eucharistic Miracle of Lanciano, that occurred in Italy in 750 AD and was analyzed by 500 commissions of the World Health Organization. Since then the Host has been an object of veneration and of devotion on the part of thousands of pilgrims coming not only from Venezuela but from the whole world. It is possible to go to the convent of the Augustinian Recollects Nuns of the Sacred Heart of Jesus in

Los Teques to see the miraculous Host all the days of the year at any hour in their chapel devoted to Perpetual Adoration. A young faithful from New Jersey, Daniel J. Sanford, having gone on a pilgrimage to the Convent of the Augustinians to see the bleeding Host, was able to film another miraculous episode. Here is the story: "On the 12th of November of 1998 I went on pilgrimage to Betania with a prayer group and they took us to see the miraculous Host of Betania in the Chapel of the Augustinian Sisters of Los Teques. Our spiritual director, Father Mazzarella, celebrated the Mass. After the celebration ended he opened the door of the Tabernacle which contained the Host of the Miracle. With great astonishment I saw that the Host was as if in flames, and there was a Pulsating Heart that was bleeding in Its center. I saw this for about 30 seconds or so, then the Host returned to normal. I was able to film a part of this miracle with my video camera...".
